Andres Pereira Law Firm Form Retainer Agreement

CONTRACT OF REPRESENTATION
Personal Injury Client

I _____ ("the Client") employ and retain Andres Pereira, Esq. and The Shapiro Legal Group, PLLC (hereinafter "Associated Counsel") to represent me as set forth herein for my personal injury claim related to Talc.

This contract can be cancelled by me by written notification to the attorney at any time within three (3) business days of the date the contract was signed, as shown below, and if cancelled the client shall not be obligated to pay any fees to the attorney(s) for the work performed during that time.

1. SCOPE OF REPRESENTATION

Associated Counsel agree to investigate and evaluate my possible claim or claims based on personal injury due to Talc.

If at **any time** during the course of investigating, preparing, handling or prosecuting this claim the attorneys make a good faith determination that further action is untenable or that a successful conclusion is not possible, then the attorneys have the right to withdraw from the case by returning to the client's last known address, all file materials along with a letter of explanation for the withdrawal.

I empower Associated Counsel to take all steps in this matter deemed by them to be advisable for the investigation and handling of my claim, including hiring investigators, expert witnesses and/or other attorneys and filing any legal action necessary. I understand and agree that the scope of representation herein **does not** include the filing of any claim for medical malpractice related to or arising from Talc, or any claim for workers' compensation coverage or other state or federal employee benefits.

I authorize the Associated Counsel to associate other co-counsel if Associated Counsel believe it advisable or necessary for the proper handling of my claim, and expressly authorize Associated Counsel to divide any attorneys' fees that may eventually be earned with co-counsel so associated for the handling of my claim. **This will not increase the fees I owe but will come from the attorneys' portion of fees.**

2. ATTORNEYS' FEES

It is understood and agreed that I am employing the Associated Counsel as set forth herein, and that **if no recovery is made, I will not owe Associated Counsel for any sums whatsoever as attorneys' fees.**

I agree to pay the Associated Counsel attorney's fees as follows:

CONTINGENT FEE ARRANGEMENT

I agree to pay a REDACTED contingent fee from the gross recovery made on my behalf.

If there is an appeal, I agree to pay an additional 5% of any recovery after the notice of appeal is filed or post-judgment relief or action is required for recovery on the judgment.

In the event there is no recovery there is no fee.

3. EXPENSES OF LITIGATION

I understand that during the term of representation, my attorneys will advance all litigation expenses incurred on my behalf in this action including, but not limited to, filing fees, service of process fees, medical record fees, court reporter expenses, interest paid for monies borrowed to advance my case, investigation expenses, photographs and photo-reproduction expenses, and reasonable travel expenses but that those expenses **will be deducted** from my net recovery of any settlement or recovered proceeds. **In the event no recovery is made, I understand that I owe the Associated Counsel nothing and I have no obligation to reimburse the Associated Counsel for expenses** incurred in the litigation of our case. At the time of disbursement of any proceeds recovered on my behalf under the terms of this contract, I will be provided with a detailed closing statement reflecting the method by which attorneys' fees have been calculated and the expenses of litigation which are due to the Associated Counsel from the verdict or settlement proceeds. I also understand that the Associated Counsel may have received liens from my medical providers, insurance companies, Medicaid/Medicare for the treatment I have had related to my mesh implant and that these medical costs will be negotiated by the firm but will be paid from my portion of any recovery.

4. SETTLEMENT DISCUSSIONS/GROUP SETTLEMENT

I will have authority to accept or reject any final settlement amount after receiving the advice of my attorneys. I understand that this suit may be handled as a part of a larger number of cases which may be aggregated for settlement and/or trial preparation. I authorize my attorneys to enter into aggregate settlement negotiations, and to disclose the amount of my proposed settlement, the nature of my damages, and other factors relevant to evaluation of settlement values to other clients whose cases are included in the aggregate of cases. I also understand that certain expenses will be incurred in a joint effort to handle all cases. I authorize my attorneys to prorate expenses among all the cases in the settlement group.

I understand that no guarantee or assurances of any kind have been made regarding the likelihood of success of my claim, but that my attorneys will use their skill and diligence, as well as their experience in the field of personal injury litigation, to diligently pursue my action.

Client acknowledges that client has retained the Associated Counsel, for the sole purposes expressly stated in this contract. Client understands that the Associated Counsel its partners, associates, or other representatives make no representations, express or implied, to perform any legal services or provide any legal opinions, on any matter not expressly addressed in this contract.

5. TERMINATION OF REPRESENTATION

I understand I can terminate the Associated Counsel's representation of me at any time by providing written notice to the Associated Counsel at the address of their principal office. Should I elect to terminate the Associated Counsel's representation prior to the full conclusion of Associated Counsel's services under this contract, I understand and agree that the Associated Counsel have a claim for expenses of litigation and unpaid attorneys' fees which will become due only upon receipt by me or by any successor attorney of any proceeds for any remaining portion of my personal injury claim.

I HAVE READ AND UNDERSTAND THIS CONTRACT AND AGREE AS STATED ABOVE ON

2. CLIENT'S RESPONSIBILITIES. The Client agrees to cooperate fully with the Firms, disclose all relevant facts at all times during the claim and to promptly advise the Firms of any change in address, email address or telephone number. Client authorizes the Firms to use their professional judgment and any relevant documents, records or other information that the Firms deem necessary to the proper representation of the Client. The Client agrees to promptly and fully comply with all reasonable requests of the Firms on all matters included in this contract. The Client understands that failure to fully cooperate may be a basis for termination of this contract. As described below, Client further agrees that the Firms may withdraw from representing the Client if the Firms deem withdrawal is warranted.

The Client agrees not to attempt on Client's part to unilaterally settle all or any portion of the claims made the subject of this contract. The Client will rely exclusively upon the representation of the Firms during any settlement negotiations. No settlement will be made without the Client's consent.

3. ASSOCIATION OF COUNSEL. Client understands and agrees that the two separate law firms of ANDREWS & THORNTON AAL, ALC [REDACTED] will be associating on this matter. Client also authorizes the Firms to associate co-counsel as the Firms may deem necessary and to share any fees contemplated in this contract with such co-counsel with the express understanding that associating with co-counsel will NOT increase the fees set forth in Paragraph 4 below, and, that any co-counsel agreement will be subject to the client's informed written consent.

4. EXPENSES FOR THE LAWSUIT. The Firms agree to advance any and all reasonable expenses associated with the prosecution of Client's claim. In the event of a recovery, the Client understands and agrees that Firms will be paid all reasonable costs, charges or expenses made or incurred by the Firms in the Firms' handling of the Client's claim and causes of action, including but not limited to expenses or charges for obtaining legal and medical records, medical lien resolution (but not the discharge or satisfaction of such liens, which are ultimately an existing client obligation independent of this agreement), court costs, filing fees, depositions, and expert witnesses. Client understands that Attorneys may represent numerous other similarly injured clients and Client agrees that the term "expenses" includes, in addition to "case-specific expenses" that are unique to Client like ordering Client's medical records, "general expenses" incurred for the common and shared benefit of all such similarly injured Clients, including but not limited to retaining and compensating experts, copying of voluminous documents, postage, research, computerized document management, conference calls, jury consultants, travel, and costs relating to the depositions of defendants' representatives, witnesses, and agents. "Case-specific expenses" will be charged in full to Client, and "general expenses" will be allocated equitably among all benefited claimants (usually in proportion with the client's recovery). If a matter requires experience or expertise uncommon to the Firms, outside counsel may be obtained. The Firms will be reimbursed Firms' reasonable costs associated with the outside assistance.

[REDACTED]

Costs advanced will be payable out of the Client's share of any recovery and will not affect the contingency rate or fees due to the Firms. Client hereby assigns and sets over to the Firms as a lien that portion of the gross proceeds recovered that is equal to the total amount of costs and expenses advanced.

If you as the Client do not obtain legal recoveries in this matter, then You will not be obligated to reimburse any expense that the Firms advance on your behalf.

5. CONTINGENT FEE ARRANGEMENT. The Firms, and co-counsel if any, will assume joint responsibility for representation of the Client. In consideration of the services rendered, and to be rendered, to the Client by the Firms, the Client agrees to pay the Firms for the Firms' compensation in handling the Client's lawsuit the following present interest and assignment in the claims and the lawsuit:

- d. In the event there is no recovery or settlement of the Client's claim(s), Client owes Firms nothing.

6. DIVISION OF FEES. ANDREWS & THORNTON, AAL, ALC, [REDACTED] will associate on this matter and have agreed to split any fee collected under the terms of this agreement in the following manner: [REDACTED] ANDREWS & THORNTON [REDACTED]

Client hereby grants the Firms a lien on any and all recovery from the claims which is subject of Firms' representation under this agreement. The lien will attach to any recovery Client may obtain, whether by arbitration award, judgment, settlement or otherwise.

7. NEGOTIABILITY OF FEES. The rates set forth above are not set by law, but are negotiable between the Firms and Client.

8. CONFLICT OF INTEREST: REPRESENTATION OF OTHER INDIVIDUAL CLAIMANTS. Firms represent other individuals who have Johnson & Johnson talcum powder injury cases in the same bankruptcies. By its nature, the funds available to claimants in a bankruptcy will be limited, and because the Firms could be representing multiple parties with respect to multiple claims in that bankruptcy, there is a conflict of interest. By signing this agreement, Client waives any conflict of interest.

9. NO GUARANTEES. No guarantees have been made as to what amounts, if any, Client may be entitled to recover in this case.

10. TERMINATION OF REPRESENTATION. Either party may terminate the representation at any time, subject to Firms' obligations under the Rules of Professional Conduct and the approval of the court, if required. In the event the Client recovers nothing or, after investigation, Firms or Client decides not to pursue the claims, Client will not be responsible for any fees, costs or expenses. If, however, Client terminates attorney and pursues a recovery, with or without another attorney, Client agrees to pay Firms the fair rate for time expended on the matters as well as reimbursement of costs and expenses. If there is any disagreement concerning the fee charged hereunder, the parties agree to submit that disagreement to binding arbitration with the Fee Arbitration Committee of the state bar for a jurisdiction in which the principal attorney(s) handling the matter is licensed.

After the appropriate investigation, the Firms reserve the right to rescind this contract. Client hereby fully empowers, authorizes and directs the Firms to manage and handle, as they deem necessary, best and proper, and subject to the limitations herein, said claim, or cause of action that may grow out of the same, and to prosecute said causes of action in any manner they deem advisable. The Firms are hereby authorized and empowered to deliver in Client's name any and all notices, receipts, authorizations, releases, pleadings and any other documents and instruments proper in the handling of said claim.

11. RECEIPT AND DISBURSEMENT OF CASE RECOVERY. All proceeds of Client's case shall be deposited into one of Firms' trust accounts (or in a court approved Qualified Settlement Fund) for disbursement in accordance with the provisions of this Agreement. Client grants to Firms a power of attorney to execute financial instruments for deposits into Client's trust account. Clients will receive an accounting for approval before disbursement.

12. POWER OF ATTORNEY TO SIGN FOR CLIENT. There may be times when it is necessary to submit the Client's signature on documents. Generally, an attempt will be made to obtain Client's signature. However, in those situations where it is necessary to protect Client's rights from a deadline, Client authorizes the Firms to sign documents on Client's behalf.

13. REVIEW AND UNDERSTANDING OF AGREEMENT. Client acknowledges review and understanding of this agreement, having read its contents in its entirety, and Client understands and agrees with all of its provisions. Client acknowledges that Firms, their employees or agents, have made no guarantee regarding the successful determination of Client's claim or causes of action, nor any guarantees regarding the amount of recovery or the type of relief, if any, which Client may obtain therefrom.

This Agreement must be signed by Firms and Client(s) to be valid.

POWER OF ATTORNEY AND EMPLOYMENT AGREEMENT: TALCUM POWDER

This agreement between _____ ("Client") and JOHNSON LAW GROUP ("Attorneys"), is for legal representation in prosecuting Client's claims for damages and personal injuries as a result of Client using Talcum Powder. Client authorizes Attorneys to prosecute Client's causes of action against all potentially responsible parties ("Defendant(s)").

Client requests a contingency fee contract rather than an hourly fee, and Client conveys to Attorneys the present undivided interest in the above claim in the amount of _____ of the gross recovery, made either before or after suit is filed, regardless of whether Defendant(s) appeal Client's case. **If Attorneys are not successful, Client will not owe any attorney fees or case expenses to the Attorneys.** Client understands this fee is not set by law.

It will be necessary for the Attorneys to incur and advance certain court costs and expenses for the Client. These Client-specific costs and expenses may include, but are not limited to, the following: filing and service fees; costs for medical exams, reports and records; costs for third-party medical record reviews and summaries; medical or technical expert witness costs; cost for investigative services; travel expenses (including air fare, ground transportation, lodging and meals); deposition expenses and court reporter fees; costs and fees associated with any necessary estate administration procedures; outside trial service providers; trial equipment rental and operation fees; preparation of exhibits and graphics; and copying, postage, shipping; and courier expenses. Separate from these costs and expenses, Client agrees that Attorneys shall charge a

_____ to cover the cost of opening and setting up the case file and incidental expenses that would not be cost-effective to track on an individual basis. Client agrees to reimburse Attorneys for all such costs and expenses from Client's share of any money recovered by settlement or judgment. **However, in the event that no recovery is obtained on Client's claim, Attorneys will make no charges for his or her time, services, fees, court costs, or other expenses that have been advanced.** Upon receipt by the Attorneys of any proceeds of any recovery, the Attorneys shall (1) deduct _____ from the amount as attorneys' fees, (2) deduct any costs or expenses already paid or incurred by the Attorneys from the Client's portion of the recovery and (3) disburse the remainder to the Client, subject to any liens on Client's recovery.

Client understands and agrees that Attorneys represent numerous other similarly injured clients, and Client agrees that the term "expenses" includes general or common benefit expenses incurred for the benefit of all such similarly injured clients, including but not limited to retaining and compensating experts, copying voluminous documents, postage, research, computerized document management, conference calls, jury consultants, travel, and costs relating to the depositions of defendants' representatives, witnesses (including defendants' experts), and agents and bellwether trials that benefit a larger group of clients. Such general or common benefit expenses will be allocated equitably amongst all benefitted clients.

SETTLEMENT. Nothing in this Agreement and nothing in Attorneys' statements to Client will be construed as a promise or guarantee about the outcome of the matter. Attorneys make no such promises or guarantees. No settlement shall be made without Client's approval. Client grants Attorneys the power of attorney to execute all documents connected with the claim for the prosecution of which Attorneys are retained, including pleadings, contracts, checks or drafts, settlement agreements, compromises, releases, verifications, dismissals, and orders, as well as all other documents which Client could properly execute. Client hereby authorizes Attorneys to negotiate a settlement of Client's claims in whatever manner, and using whatever negotiation strategy, Attorneys deem appropriate. Client understands and agrees that Attorneys may, if appropriate, negotiate a settlement of Client's claim and the claims of other clients similarly situated on an aggregate basis. However, no such settlement will be effective without providing Client a description of the claims resolved by the settlement, the total settlement fund, the amount to be received by Client, and the amount to be received by other clients who are qualified to participate in the settlement.

ASSOCIATION OF COUNSEL. Client hereby agrees that Attorneys may employ associate counsel and does not object to the participation of any additional counsel Attorneys may choose to involve in this Claim. Before the association becomes final, Client shall consent in writing to the terms of the arrangement after being advised of (1) the identity of the law firm involved, (2) that the lawyers agree to assume joint responsibility for the representation, and (3) the share of the fee that each law firm will receive. The association of additional attorneys will **not** increase the total fee owed by the Client.

DISCHARGE AND WITHDRAWAL. Attorneys may withdraw from representation of Client (a) with Client's consent (b) upon court approval, or (c) if no court action has been filed, for good cause and upon reasonable notice to Client. Good cause includes Client's breach of this contract, Client's refusal to cooperate with Attorneys or to follow Attorneys' advice on a material matter or any other fact or circumstance that would render Attorneys' continuing representation unlawful or unethical.

Notwithstanding Attorneys' withdrawal or Client's notice of discharge, and without regard to the reasons for the withdrawal or discharge, Client will remain obligated to pay Attorneys for all costs incurred prior to the termination. In the event any recovery is obtained by Client after conclusion of Attorneys' services, Client remains obligated to pay Attorneys for the reasonable value of all services rendered from the effective date of this Agreement to the date of discharge. In the event the discharge is without cause, as that term is understood under Texas law, Client understands and agrees that Attorneys may seek enforcement of the full contingent fee.

LIMITATION OF REPRESENTATION. Attorneys represent Client only on the matter described in paragraph 1. Attorneys' representation does not include independent or related matters that arise, including, among other things, claims for property damage, workers' compensation, disputes with health care providers about the amount owed for services, or claims for reimbursement (subrogation) by any insurance company for benefits paid under an insurance policy. Client may have other possible causes of action arising from the facts and circumstances giving rise to this representation. As Attorneys do not represent Client on these other possible claims, Client should seek independent representation if Client wishes to pursue a remedy. Delay or failure to do so may result in Client being barred by a statute of limitations from being able to recover under these other causes of action.

CLIENT ACKNOWLEDGEMENTS. Client shall keep Attorneys advised of his or her whereabouts at all times, shall appear on reasonable notice at any and all depositions and court appearances, and shall comply with all reasonable requests of Attorneys in connection with the preparation and presentation of the Client's claim and cause of action. Client agrees to provide Attorneys with any changes of address, telephone numbers or business affiliation.

Client agrees to immediately inform Attorneys of any and all liens and potential liens on Client's settlement, including healthcare liens and any loans Client may obtain using this cause of action as security. Client also authorizes Attorneys to disclose information necessary to the advancement of Client's case to third parties, including, but not limited to, lien resolution providers, lien holders, trustees, and third-party finance lenders. Client understands and agrees that information regarding Client's lawsuit is strictly confidential and shall not be discussed with anyone other than the Attorneys and staff representing Client. Therefore, Client will not share information relating to Client's claims on any social media platform or other public media and understands that such posting may result in waiver of the attorney-client privilege.

BANKRUPTCY. Client understands that filing for bankruptcy may affect the Client's ability to retain some or all of any recovery in this matter. Client understands that he or she is obligated to keep the Attorneys informed of any bankruptcy filing. Client further understands that failure to disclose this lawsuit in a bankruptcy proceeding may result in a dismissal of this lawsuit and possibly sanctions by the bankruptcy court.

GOVERNING LAW/ENTIRE AGREEMENT. This Agreement shall be construed in accordance with the laws of the State of Texas. This Agreement contains the entire agreement of the parties. No other agreement, statement, or promise made on or before the effective date of this Agreement will be binding on the parties.

SEVERABILITY IN EVENT OF PARTIAL INVALIDITY. If any provision of this Agreement is held in whole or in part to be unenforceable for any reason, the unenforceable portions shall be severed, and the remainder of that provision and of the entire Agreement shall remain in full force and effect.

MODIFICATION BY SUBSEQUENT AGREEMENT. This Agreement may be modified by subsequent Agreement of the parties only by an instrument in writing signed by both parties or an oral agreement only to the extent that the parties carry it out.

Client acknowledges that he or she has read this Attorney Fee Contract in its entirety, which is two (2) letter size pages in length, that he or she fully understands the terms and conditions of same, and that he or she agrees to abide and be bound by its terms.

Linville Law Group Form Retainer Agreement

This retainer agreement is made between _____ (“Client”) and Linville Law Group, (“the Attorneys”). Client retains and employs the Attorneys to recover compensation for Client’s injuries suffered from Talcum Powder. If Client brings a claim relating to or arising from a deceased person’s damages or injuries, Client agrees to proceed both individually and as representative of the estate of the deceased person to the extent Client is legally able to do so.

CONTINGENT FEES: _____ of the GROSS recovery in case of settlement or verdict as a reasonable Attorneys’ fee for the Attorneys’ services. The “GROSS recovery” means all money or other things of value including any attorney’s fees awarded by the court. _____ The Attorneys may employ other attorneys to help with Client’s claims at their discretion, but the association of other contingency fee attorneys will not increase the contingency fee owed by Client.

EXPENSES: The Attorneys shall advance the court costs and other expenses for this claim, including case specific expenses and a pro rata share of general case expenses. Client agrees and consents to reimburse Attorneys for case specific and general case expenses out of Client’s share of the gross amount recovered. Case specific expenses are those incurred for the sole benefit of the Client’s individual claim. General case expenses are those incurred in the prosecution of Client’s cause of action and other similarly situated clients. Client agrees to pay a pro rata share of such general case expenses in exchange for the benefit of sharing these expenses with other similarly situated clients rather than incurring these expenses individually. These expenses will be disclosed to Client at the time of settlement. Should the Attorneys elect to fund such expenses by borrowing the funds required, Client agrees to reimburse the full sum of all related interest charges for case specific expense costs as well as a pro rata share of related interest charges for general case expenses out of Client’s percentage of the gross amount recovered. _____

_____. **If there are no proceeds recovered on Client’s claim, then the Client will not owe the Attorneys for the expenses incurred during the prosecution of this claim.**

STATUTE OF LIMITATIONS: There are legal time limits to prosecute Client’s claim, generally Statutes of Limitation or Repose, and if the Claim is not timely prosecuted then the legal right to pursue the claim may be lost forever. The Attorneys require reasonable time to thoroughly investigate Client’s legal claims in order to uphold their ethical responsibility, and the Attorneys will not take action on Client’s behalf without adequate time for investigation. **Prompt return of this Agreement is very important.**

CLIENT’S COOPERATION AND TERMINATION: Client shall keep the Attorneys advised of their current address and telephone number at all times during representation. Failure to advise the Attorneys of this current contact information may result in the dismissal of Client’s claim and/or the loss of Client’s legal rights forever. Client consents to receive future communications electronically at the Attorneys’ discretion, including text messages, client may opt out anytime by providing written notice to the Attorneys. Further, Client agrees that the Attorneys may withdraw from representing Client if the Attorneys deem withdrawal warranted for any reason. The Attorneys shall have discretion to accept or reject any appeal. If the Attorneys withdraw from representation, they may do so by notifying the Client through electronic communication, or by sending mail to the Client’s last known address. **In the event the Attorneys withdraw, the Client will not owe any Attorneys’ fees or expenses.** Client agrees to provide complete and truthful information. Client has not and will not retain other counsel regarding this matter. Client agrees not to file any lawsuits, or to negotiate settlement of Client’s claims without the Attorneys’ knowledge and consent. Client agrees to not share information obtained from the Attorneys. If Client talks to anyone other than Attorneys or their staff, except for Client’s spouse, about discussions between Client and Attorney or members of their staff, Client risks the attorney-client privilege and perhaps other privileges. Client agrees to preserve all evidence of Client’s claim. Client agrees to notify the Attorneys of any previous bankruptcy filings and prior to any future bankruptcy filing. **Client may terminate this agreement at any time by providing written notice to the attorney.**

POWER OF ATTORNEY: Client hereby grants Attorneys a limited power of attorney to make decisions and execute documents necessary to conclude this representation. The Attorneys are authorized and empowered to act as Client’s negotiator in any and all settlement negotiations concerning the subject of this agreement. As part of this power of attorney, Client authorizes the Attorneys to require that any settlement checks be made payable jointly to Client and the Attorneys and the Attorneys may reimburse themselves for expenses and fees prior to disbursing money to Client. However, the Attorneys will not unreasonably withhold disbursement from Client. **No settlement of any nature shall be made without Client’s consent and approval.**

SETTLEMENT OF HEALTHCARE LIENS: Client understands and acknowledges that prior to the disbursement of any settlement proceeds, the Attorneys may be required to investigate and satisfy any third-party interest healthcare liens such as Medicare, Medicaid, and other medical provider liens.

COMPLETE AGREEMENT: Client hereby acknowledges that the Attorneys have made no guarantees regarding the successful outcome of this matter and all expressions about the outcome are only opinions. This is the entire agreement. Client represents that no one has promised Client anything to induce Client to retain the Attorneys. Client understands and acknowledges that the decision to hire the Attorneys was made willfully and independently without outside influence and no person has solicited Client on behalf of the Attorneys. It may be changed only by a writing signed by the Attorneys. If any part is or becomes unenforceable, the rest remains valid and enforceable. The Attorneys’ choice to not enforce a provision is not a waiver of the right. All issues regarding this Agreement are governed by Georgia. If Client and the Attorneys cannot resolve a dispute related to this matter, they will mediate it before a mutually agreeable mediator. If mediation does not work, client and Attorneys agree to remedy through a binding individual arbitration subject to the rules of the American Arbitration Association.

McDonald Worley PC Form Retainer Agreement

McDONALD WORLEY

ATTORNEYS AT LAW

ATTORNEY-CLIENT FEE AGREEMENT

In consideration of legal services to be rendered by MCDONALD WORLEY, PC, hereinafter called ATTORNEY, on behalf of _____, hereinafter called CLIENT, both ATTORNEY and CLIENT acknowledge and agree to the following:

1. SCOPE OF SERVICES. CLIENT is hiring ATTORNEY to represent him/her with respect to a potential claim involving injuries resulting from the use of TALCUM POWDER. ATTORNEY will provide those legal services reasonably required to represent CLIENT. ATTORNEY will take reasonable steps to keep CLIENT informed of progress and to respond to inquiries. If a court action is filed, ATTORNEY will represent CLIENT through trial and post-trial motions. After judgment, ATTORNEY will not represent CLIENT in any post-trial matters, including execution proceedings or an appeal. Unless CLIENT and ATTORNEY make a different agreement in writing, this Agreement will govern all future services ATTORNEY may perform. This Agreement will not take effect, and ATTORNEY will have no obligation to provide legal services, until you return a signed copy of this Agreement. No attorney client relationship and no expectation of confidentiality is present until this Agreement is entered. This agreement is subject to investigation as to viability of claim in the sole determination of Attorney. I also understand that I may have a medical malpractice claim against a doctor or healthcare provider. I understand and agree that Attorneys will not investigate and will not pursue a medical malpractice action and that if I wish to pursue such action, I will need to find another attorney to pursue such claim. I also understand that a Defendant party to this action may convince a jury (should a trial occur) that my total recovery should be reduced by the portion of fault (if any) that is attributed to a doctor or healthcare provider by the jury.

2. NO RECOVERY / NO FEE. IF NO RECOVERY IS OBTAINED, NO FEE SHALL BE PAYABLE TO ATTORNEY BY CLIENT.

CONTINGENCY FEE. In consideration of the legal services to be rendered by ATTORNEY, for any claims that CLIENT may have against the parties responsible for claims by CLIENT, CLIENT does employ ATTORNEY for a legal fee of _____ of all amounts recovered against the adverse parties in this matter.

ATTORNEY has informed CLIENT that legal fees are not set by law, but are negotiable between ATTORNEY and CLIENT. CLIENT acknowledges that the fees stated hereinabove were reached and mutually agreed to through open discussion and negotiation. All expenses and charges of any nature made by ATTORNEY to third parties in conjunction with the above-mentioned claim are not legal fees, such as filing fees, court fees/costs, staff charges, medical record copy fees and retrieval fees, investigative fees, expert fees, including a nurse or physician medical record review fees, deposition costs, exhibit expenses, research fees, along with any interest charged by a lender on such expenses, federal MDL fees, state coordination fee assessments and any other such costs and these expenses and charges will also be deducted from CLIENT's share of amounts recovered.

3. _____ CLIENT expressly grants ATTORNEY the right to associate into this matter counsel of ATTORNEY'S sole choice. No increase of the fee to CLIENT under this Agreement shall occur by any such association in of counsel. _____

4. CLIENT'S DUTIES. CLIENT agrees to be truthful with ATTORNEY, to cooperate, to keep ATTORNEY informed of developments, to abide by this Agreement, and to keep ATTORNEY advised of CLIENT'S address, telephone number, and whereabouts. CLIENT consents to be contacted by ATTORNEY via text messaging.

5. DISCLAIMER OF GUARANTEE. Nothing in this Agreement and nothing in ATTORNEY'S statements to

CLIENT shall be construed as a promise or guarantee about the outcome of CLIENT'S matter. ATTORNEY makes no such promises or guarantees. ATTORNEY comments about the outcome of CLIENT matter are expressions of opinion only.

6. TERMINATION OF THIS AGREEMENT. If this Agreement is terminated before the case is resolved CLIENT gives ATTORNEY a lien against any subsequent recovery in this case for ATTORNEY's time and expenses. If an offer has been negotiated ATTORNEY will have a lien upon any subsequent recovery equal to an amount to compensate for time and expenses. ATTORNEY may withdraw from representation of CLIENT at any time if ATTORNEY determines prosecution of the claim is not practicable. ATTORNEY may, after further investigation of the merits of this claim, cancel this contract of employment by mailing notice to the CLIENT. In such event there will be no charge for services rendered or expenses incurred by ATTORNEY.

7. WAIVER AND RELEASE – INCORRECT OR UNKNOWN FACTS REGARDING STATUTE OF LIMITATIONS. CLIENT understands that there are statutes of limitations that apply to the filing of claims against drug and medical device manufacturers, and that if a lawsuit is not filed against them for CLIENT'S injuries before the applicable statutes of limitations expire regarding CLIENT's claims then CLIENT may be forever precluded from suing them. ATTORNEY enters into this agreement with CLIENT based upon certain representations by CLIENT regarding facts and dates which will determine when the statute of limitations will run on CLIENT'S claim and that Attorney may require additional information from CLIENT and/or third parties in order to proceed at all. CLIENT has represented to ATTORNEY the approximate dates the injury occurred and/or was discovered. CLIENT has also represented to ATTORNEY that prior to these dates no one ever told CLIENT or suggested to CLIENT, verbally or in writing, that CLIENT'S injuries were or could have been caused by the drug or medical device, and that prior to these dates CLIENT never received any information from any source, and that CLIENT never read, heard or saw any information which gave CLIENT any reason to suspect that the drug or medical device could cause injury, or that it could have caused CLIENT'S injury. CLIENT understands that if these representations regarding facts or these dates are incorrect, the statute of limitations on CLIENT'S claim may have already run, and even if it has not, that it could run during the time ATTORNEY is investigating CLIENT'S claim (the "Investigative Period") which would preclude CLIENT from ever filing a claim in the future. The Investigative Period includes all applicable timeframes and deadlines that medical records holders have pursuant to the Health Insurance Portability and Accountability Act of 1996. CLIENT therefore agrees that if it is ever determined by a court or a jury that the statute of limitations on CLIENT'S claim ran out at any time during the Investigative Period that ATTORNEY shall not be responsible or liable to CLIENT in any manner for failure to file a lawsuit before the running of the statute of limitations. CLIENT further agrees to hold harmless ATTORNEY, its related entities and assigns, and release them from and waive any claim CLIENT may have against ATTORNEY for failure to file a lawsuit within the Investigative Period.

8. LIMITED POWER OF ATTORNEY.

14. MEDICAL RECORDS COMPANY RECORDS Rx US, INC.

NOTE TO CLIENT: This is a contract. It protects both you and ATTORNEY and will prevent misunderstanding. Please sign this Agreement only if you understand and agree with it. This Agreement is deemed entered into and to be performed in Texas. Legal services in jurisdictions outside of Texas shall be cause for association in of counsel, and the terms of this Agreement shall otherwise be in full force and effect.

ACKNOWLEDGMENT: CLIENT understands and hereby acknowledges the following: 1) ATTORNEY, including its agents and associated counsel, did not solicit CLIENT to pursue this claim or sign this agreement; 2) CLIENT made the initial request by telephone, email or through a website opt-in feature that an attorney contact CLIENT about his/her potential claim; 3) ATTORNEY has not made any promises or guarantees of settlement or final disposition of the claim in order to induce CLIENT to retain ATTORNEY; and 4) CLIENT's decision to retain ATTORNEY is voluntary and of CLIENT's own free will.

I have read and understood the foregoing terms, and agree to them as of the date ATTORNEY first provided services. If more than one party signs below, we each agree to be individually liable, jointly and severally, for all obligations under this Attorney-Client Fee Agreement.

Paul LLP Form Retainer Agreement

ATTORNEY REPRESENTATION AGREEMENT

It is hereby agreed that the law firm of PAUL LLP shall represent _____ (“Client”) with regard to Client’s potential claims against Johnson & Johnson and potentially others arising from her ovarian cancer caused by regular use of products containing talc (the “Agreement”). PAUL LLP and Client agree to the following terms and conditions:

1. PAUL LLP shall undertake and use its best efforts to investigate the facts and conduct surrounding Client’s potential claims against Johnson & Johnson and potentially others. In the event that PAUL LLP believes that Client has viable and potentially successful claims, PAUL LLP agrees to continue investigation, filing, trial and appeal of those claims. In the event that PAUL LLP believes that Client does not have viable and/or potentially successful claims, Client agrees that PAUL LLP may, in its sole and exclusive discretion, terminate this Agreement.

2. In consideration for PAUL LLP’s representation in connection with this matter, Client agrees to pay PAUL LLP

4. PAUL LLP maintains errors and omissions coverage applicable to the services to be rendered under this Agreement.

5. Client acknowledges that PAUL LLP has made no promises about the outcome of this action and any opinion offered by PAUL LLP in the future will not constitute a guaranty about the outcome of this action.

6. The parties agree that this matter is undertaken based on the understanding to date of the facts and the persons/entities from whom recovery may be sought. The client agrees to cooperate fully with PAUL LLP, disclose all relevant facts and promptly advise PAUL LLP of any change in address, telephone number, and contact information. Further, any of the parties may terminate this Agreement at any time if disagreements arise concerning the handling of this matter or if PAUL

LLP is precluded by applicable rules of professional conduct from continuing representation of Client. If PAUL LLP is terminated, it will retain a lien on any proceeds from this matter in an amount to be determined by an analysis of the amount and value of the work performed prior to the day of termination or as more thoroughly defined by a quantum merit application. It is understood that Client can ask the Court presiding over this matter to review the fees herein.

7. This Agreement contains the entire agreement of the parties. No other agreement, statement, or promise made on or before the effective date of this Agreement will be binding on the parties. This Agreement may be modified only in a writing signed by the parties.

8. [REDACTED]

[REDACTED] Client agrees that these “additional lawyers” may act on Client’s behalf as Client’s attorneys.

11. Client has been advised that Missouri Rule of Professional Conduct 4-1.15 requires PAUL LLP retain Client files for six (6) years after completion or termination of representation. Client expressly waives this requirement and acknowledges that PAUL LLP’s practice is to retain files for one (1) year after the representation is complete. Client has been advised of the material risks of this waiver, including that not having his/her Client file may impede his/her ability to prosecute or defend against future lawsuits; and the reasonably available alternatives to this waiver, including PAUL LLP retaining files for six (6) years electronically or off-site. Client expressly understands that if he/she wants his/her file, he/she must make arrangements to collect the records from the Firm within one (1) year after the representation is complete.

12. Client is advised that electronic mail (“email”) carries risks of interception of the message as it travels through the internet as well as through any network to which the computer may be connected. Also, there is potential for interception from the individual computer that Client will

be using to send or receive email. Risk of interception includes the possibility that the message could be randomly intercepted and disclosed by an otherwise disinterested person as well as by someone specifically interested in the matter which is the subject of the communication. Having been fully advised of such risks, Client knowingly and willingly consents to communication between himself/herself and PAUL LLP via email.

Rueb Stoller Daniel Form Retainer Agreement

AGREEMENT TO RETAIN COUNSEL

PARTIES

I, _____, of _____, _____,
_____, telephone number _____, email: _____
(hereafter Client), hereby retain Rueb Stoller Daniel LLP, 5790 Fleet Street, Suite 200,
Carlsbad, CA 92008, 1.866.CALL.RSD to represent me in my claim against any and all
defendants for damages and personal injuries (and in a death claim for death) sustained
by me or anyone else through whom I am claiming or who is claiming through me,
as a result of the conduct of the Defendant(s) in the manufacture and sale of Talcum
Powder.

FEES

It is Agreed that if Attorneys recover any sum on Client's behalf from the Defendant(s), Client
shall pay a fee for their services of _____ of the gross amount collected if the case is
settled or judgment is obtained which will be shared among the Attorneys. _____
_____ The Attorneys are also authorized to
hire or associate with attorneys from other firms to assist with the case. The participation
of additional attorneys will not result in any additional attorney's fee.

EXPENSES

Except as provided herein, Client understands and agrees that during the term of
representation the Attorneys will advance or seek financing for all litigation expenses incurred on
the Client's behalf in this action, including but not limited to, filing fees, service of process fees,
medical records fees, lien resolution fees, administration fees related to record retrieval, case
management by third parties, court reporter expenses, investigation expenses, photographs and
photo-reproduction expenses, expert witness fees, reasonable travel expenses, financing costs and
interest on any financing, but that those expenses will be deducted from Client's net recovery of any
settlement or recovered proceeds. _____
_____ In the event that there is no recovery after trial, the Client will not
be responsible for any expenses incurred.

SETTLEMENT DISCUSSIONS/GROUP SETTLEMENT

The Client will have authority to accept or reject any final settlement amount after receiving
the advice of the Attorneys. Client understands that this suit may be handled as a part of a larger
number of cases, which may be aggregated for settlement and/or trial preparation. Client authorizes
the Attorneys to enter into aggregate settlement negotiations and to disclose the amount of the
proposed settlement, the nature of Client's damages, and other factors relevant to evaluation of
settlement values to the other clients whose cases are included in the aggregate of cases. Client also
understands that certain expenses will be incurred in a joint effort to handle all cases. Client
authorizes the Attorneys to prorate expenses among all the cases in the settlement group.

TERMINATION OF REPRESENTATION

The Client further agrees that in the event the Attorneys' services are terminated by the Client for any reason or that the client unreasonably rejects a settlement offer against the Attorneys' advice causing Attorneys to terminate representation, the Attorneys shall be entitled to the reasonable value of their services, plus all outstanding expenses advanced or incurred to date. In the event that representation is terminated, the Client hereby assigns and grants to the Attorneys a lien on any settlement, judgment or recovery for their fee and expenses. This lien may be secured by notifying the insurance carrier for the defendant or the defendant's attorneys and authorizes the firm to provide the defense attorney or insurance carrier a copy of this retainer agreement.

Slater Slater Schulman LLP Form Retainer Agreement

**THIS CONTRACT IS SUBJECT TO ARBITRATION UNDER
THE FEDERAL ARBITRATION ACT**

RETAINER AGREEMENT

TO: Slater Slater Schulman LLP
101 West Elm Street, Suite 520
Conshohocken, PA 19428

I, _____, ("Client") retain Slater Slater Schulman LLP (here in after "Law Firm"), as my attorneys, to prosecute a claim(s) for damages against any and all parties, individuals and/or corporations that are found to be liable under the law for injuries suffered by me arising from Talcum use. I specifically agree as follows:

1. FEE PERCENTAGE: Although Client has been advised of the right to retain the Law Firm under an arrangement whereby the Law Firm would be compensated on the basis of the reasonable value of services rendered or on an hourly rate, the Client and the Law Firm agree that the Law Firm shall be paid _____ of the sum recovered, whether by suit, settlement or otherwise ("Contingency Fee"). **In the event there is no recovery, there shall be no attorneys' fees payable to the Law Firm.**

2. DISBURSEMENTS: Disbursements may include, but are not limited to, the following expenses: court filing fees, sheriff fees, medical and hospital report/record fees, doctor's report, court stenographer fees, deposition costs, expert fees for expert depositions and court appearances, trial exhibits, computer on-line search fees, express mail, postage, photocopy charges, document management charges, long distance telephone charges among other charges. Document management charges are the fees charged by the Law Firm for processing documents during litigation, such as medical records, documents produced by defendant(s) and/or other parties, etc. Processing of the documents may include, but is not limited to, the following: (1) scanning; (2) conversion of native files to PDF documents; (3) OCR (optical code recognition); and/or (4) indexing. At the time of the final settlement or distribution of judgment proceeds, these expenses shall be deducted from the Client's share after the computation of the Contingency Fee.

Since the Law Firm may be retained by others having the same claim or similar claim(s), disbursements may be shared proportionately by all such clients. It is contemplated that this may be accomplished by participating with other firm nationally in a pooling of research and information for which a case by case membership fee will be necessary. As such, this will be deemed "Disbursements", which will be deducted from the Client's share after the computation of the Contingency Fee.

_____:

4. MEDICAL BILLS: Medical bills incurred that are not paid by Client's medical insurance and are due and owing may be chargeable to the Client's portion of the settlement. There may be additional deductions representing outstanding medical bills, liens to doctors for unpaid medical services rendered, or medical services not covered by medical insurance. The recovery of these medical services are included in the gross settlement and shall be paid from the net settlement. Unpaid medical providers often will wait for payment until the conclusion of the case. However, in consideration for such abeyance, they will request a lien upon the settlement proceeds. The Client expressly authorizes the Law Firm to sign such lien forms, which may be requested by physicians or other health care providers at the conclusion of the case. This authorization shall include medical and hospital expenses, and subrogation claims. The Client understands that medical providers do not provide medical services contingent upon the outcome of a case, and that in the event that there is no recovery, or an insufficient recovery, the Client will remain responsible for the payment of such medical bills.

5. WITHDRAWAL: The Law Firm expressly reserve the right to withdraw their representation at any time upon reasonable notification to the Client. In the event that the Client advises the Law Firm to discontinue the handling of this claim, or if the Client fails to cooperate with the Law Firm in the handling of this claim, Client agrees to compensate the Law Firm a reasonable amount for its services, and for the time spent on this claim on an hourly basis or under such other arrangement that may be agreed upon by the parties. The Client understands that the Law Firm have conditionally accepted this case based upon independent confirmation of all facts and injuries claimed to have been sustained by Client. In the event that the Client desires to transfer the file from this office, the Client shall be responsible to compensate the Law Firm for the reasonable value of their services. Such transfer shall not include documents or attorney work product regarding the general liability of the defendants and/or potential defendants.

If additional legal services are necessary in connection with Client's claim(s), and Client requests Law Firm to perform such services, such additional services will only be performed pursuant to a separate written agreement between Client and Law Firm setting out such additional services and the additional fees payable in connection therewith. In the absence of such an agreement, and subject to Law Firm's lien as set below, Client will have the right to engage other counsel to perform such additional services. Client understands that Law Firm are under no obligation to provide such additional services.

6. CLAIMS EXCLUDED FROM THIS ENGAGEMENT: Client specifically authorize(s), directs(s) and instruct(s) Law Firm not to bring any claims for medical malpractice claims against any physicians, pharmacists, doctors, hospitals and/or any other health care providers. Client also specifically authorizes, directs and instructs Law Firm not to bring any claims for worker's compensation benefits claims. Client acknowledges that certain statutes of limitations may apply to claims which are not being brought and after the statute of limitations

expires, those claims are forever barred. Law Firm are not taking any position on the merits or availability of the claims which are not being brought and are not discouraging Client from pursuing these claims. Client should seek other legal counsel immediately regarding this issue if Client intends to pursue these types of claims.

This Agreement does not cover any legal advice or other counseling with respect to the investment or other application of any monetary recovery, whether by way of settlement or judgment following a trial.

7. NO GUARANTEE AS TO RESULT: Client acknowledges that Law Firm have made no guarantees as to the outcome or the amounts recoverable in connection with Client's claim(s).

8. STATUTE OF LIMITATIONS: Although Law Firm have agreed to represent Client in connection with Client's claim(s), Client understands that there are strict statutes of limitations on claims against potential Defendants, and that if Client's claims are not filed against Defendants before the statute of limitations expires, Client will be forever prevented from bringing a claim against Defendants. Client understands that Defendants may attempt to dismiss Client's claims based upon those statutes of limitations. **Client understands that the statute of limitation in Client's case may have expired before Client ever contacted Law Firm, or that the statute of limitations may expire in the very near future.** Client agrees and understands that Law Firm will not be able to determine whether or not to file a lawsuit on Client's behalf unless and until Client has provided (1) definitive proof of injuries related to the drug or device at issue and (2) copies of Client's medical and pharmaceutical records. Client also understands that it will take Law Firm a minimum of ninety (90) days after receipt of such information to evaluate Client's case, and that should the statute of limitations or any other applicable deadlines including but not limited to class registration deadlines, expire prior to or during the aforesaid ninety (90) day period, Client agrees not to hold Law Firm, or its associate counsel, responsible for any consequence related to the expiration of that deadline. **Client understands and agrees that Law Firm are under no obligation to file a Complaint should Law Firm conclude after reasonable investigation that there is no legal basis for commencing an action.**

9. LAW FIRM'S RIGHT TO WITHDRAW: It is agreed that Law Firm are prosecuting Client's claim(s) subject to its investigation of the facts and that if Law Firm determine in their sole judgment that Client's claim(s) are being presented for any improper purpose; are not warranted by existing law or by a non-frivolous argument for the extension, modification, or reversal of existing law or the establishment of new law; do not have or are not likely to have evidentiary support; or it is not feasible to prosecute Client's claim(s), Law Firm is permitted to cease all work on the Client's claim(s) and are authorized to discontinue the prosecution of such claim(s), upon written notice to Client at Client's last known address by regular mail.

10. APPEALS: The above Contingency Fee does not contemplate any appeal. The Law Firm are under no duty to perfect or prosecute an appeal until a satisfactory fee arrangement is made in writing regarding costs and attorneys' fees.

11. FINANCING OF CASE: If the Law Firm borrows money from a lending institution to finance the cost of the Client's case, the amounts advanced by the Law Firm to pay the cost

of prosecuting or defending a claim or action or otherwise protecting or promoting the Client's interest will bear interest at the highest lawful rate allowed by applicable law. In no event will the interest be greater than the amount paid by the Law Firm to the lending institution.

12. RESULTS NOT GUARANTEED: No attorney can accurately predict the outcome of any legal matter. Accordingly, no representations are made, either expressly or impliedly, as to the final outcome of this matter. The Client further understands that any changes in residence, telephone number or health condition, must be reported to the Law Firm. The Client understands that this Retainer Agreement is a binding legal contract. The Client expressly agrees that s/he will fully and freely cooperate with the Law Firm in all aspects required for the prosecution of this legal matter and that the Client will take no actions that frustrate or impair the success of this action. _____ (initials)

13. APPROVAL NECESSARY FOR SETTLEMENT: The Law Firm are hereby granted power of attorney so that it may have full authority to prepare, sign and file all legal instruments, pleadings, drafts, authorizations, and papers as shall be reasonably necessary to conclude this representation, including settlement and/or reducing to possession any and all monies or other things of value due to the Client under the claim as fully as the Client could do so in person. The Law Firm is also authorized and empowered to act as Client's negotiator in any and all negotiations concerning the subject of this Agreement.

14. ASSOCIATION OF OTHER ATTORNEYS: The Law Firm may, at their own expense, use or associate other attorneys in the representation of the aforesaid claim(s) of the Client. Various attorneys, including partners, associates, or per diem attorneys, may provide legal services on Client's case.

15. 16. ARBITRATION: Any and all disputes, controversies, claims or demands arising out of or relating to (1) this Agreement or (2) any provision hereof or (3) the providing of services by the Law Firm to the Client or (4) the relationship between the Law Firm and Client, whether in contract, tort or otherwise, at law or in equity, for damages or any other relief, shall be resolved by binding arbitration pursuant to the Federal Arbitration Act in accordance with the Commercial Arbitration Rules then in effect with the American Arbitration Association. The Client shall not file a class action against the Law Firm or seek to assert any claims or demands against the Law Firm by or through a class action, either as the named plaintiff or as a member of the class, but rather shall submit his/her claims or demands to binding arbitration pursuant to the provisions of this Paragraph. Any such arbitration proceeding shall be conducted in the Southern District of New York. This arbitration provision shall be enforceable in either federal or state court in the Southern District of New York, pursuant to the substantive federal laws established by the Federal Arbitration Act.

17. PARTIES BOUND: This Agreement shall be binding upon and inure to the benefit of the parties, hereto, and their respective heirs, executors, administrators, legal representative, successors, guardians and assigns.

18. LEGAL CONSTRUCTION: In the event that any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

19. Trammell PC Form Retainer Agreement

Houston, Texas 77098

POWER OF ATTORNEY AND ENGAGEMENT AGREEMENT

TALCUM POWDER SIDE EFFECTS

THIS ENGAGEMENT AGREEMENT (this “Agreement”) between _____ and/or Guardian/Representative (“Client” and/or “Clients”), acting individually and TRAMMELL, PC (“TPC”) is for legal representation in prosecuting Client’s causes of action for damages and personal injuries related to injuries relating to the use of Talcum Powder. Client hereby authorizes each of TPC and counsel associated by TPC (“Associate Counsel”) to investigate, institute and prosecute a lawsuit for Client’s causes of action against any and all responsible parties arising from any injuries relating to the use of Talcum Powder.

CONTINGENCY FEE. In consideration of the services to be rendered to Client by the Attorneys, Client hereby assigns, grants and conveys to TPC a contingency fee of _____ undivided interest in the gross amount of the total sum collected. **If the Attorneys are not successful in recovering a settlement for Client, Client will not owe any fees or expenses to the Attorneys.**

STATUTE OF LIMITATIONS. Client(s) hereby understand and have been fully explained that there is a deadline for filing my claim called the Statute of Limitations. I understand that the law firm requires time to investigate my potential claim. As such, if it is determined that my Statute of Limitations has passed or will pass within 120 days of signing this agreement, I understand that TPC is not obligated to file a lawsuit on my behalf for this matter. I hold TPC and all other attorneys and law firms associated with the foregoing relating to my potential claim, and each of their partners, agents, representatives and assigns, harmless and release them all from any liability for any claim or any related cause of action filed or which could be filed by me or my heirs, assigns or representatives in any capacity for not filing suit prior to this deadline or any deadline which may be deemed applicable to my cause of action(s). I am aware of the fact that they may not be able to bring a claim on my behalf after this deadline and that the Attorneys may require further information from me in order to proceed at all.

EXPENSES. Client agrees that the Attorneys will advance all costs and expenses which, in the opinion of the Attorneys, are reasonably necessary for the development of the case, and that those expenses will be reimbursed from the net recovery *after* attorney fees are deducted. Such expenses include, but are not limited to, filing fees, expert fees, investigator fees, depositions, postage, couriers, medical records and evaluations, reasonable travel expenses incurred on behalf of Client, and common expenses that are properly chargeable for the investigation, preparation, trial and/or settlement of more than one client’s cause of action. Common expenses are routinely shared by more than one claimant and shall be deducted from Client’s recovery in an equitable and reasonably proportionate manner. Client understands that the costs and expenses advanced by the Attorneys will be deducted from the net proceeds payable to Client *after* deduction of attorneys’ fees. **If the Attorneys do not obtain a settlement or recovery for Client, then Client is not responsible for and will not pay any fees or expenses to the Attorneys.**

ASSOCIATE COUNSEL. It is expressly understood that the Attorneys may associate other attorneys (Associate Counsel) to assist in representation of Client’s claims. Client will pay no more in fees with the inclusion of Associate Counsel than Client would pay pursuant to this contract if TPC solely represented Client. However, Client agrees to pay costs and expenses incurred by Associate Counsel on Client’s behalf in the same manner and to the same extent that Client has agreed to pay TPC’s costs.

SETTLEMENT NEGOTIATIONS / GROUP SETTLEMENT. No settlement shall be made without Client’s consent and approval, and likewise, Client agrees not to make a settlement without the approval of the Attorneys. Client will not unreasonably withhold consent to a settlement proposal which in the judgment of the Attorneys is fair and

reasonable. Client grants each of the Attorneys a power of attorney to execute all documents connected with the claim for the prosecution of which the Attorneys are retained, including pleadings, contracts, checks or drafts, settlement agreements, compromises, releases, verifications, dismissals, and orders, as well as all other documents which Client could properly execute. Client understands this suit may be handled as part of a larger number of cases which may be aggregated for settlement and/or trial preparation. Client authorizes the Attorneys to enter into aggregate settlement negotiations and to disclose the amount of the proposed settlement, the nature and extent of Client's injuries, and other factors relevant to the evaluation of settlement values to other clients whose cases are included in the aggregate of cases.

CLIENT ACKNOWLEDGMENTS. Client hereby certifies and represents that Client has not retained and will not retain other attorneys to prosecute these same claims while represented by Attorneys (except as discussed above under "ASSOCIATE COUNSEL"). Client agrees to cooperate with the Attorneys at all times, to comply with reasonable requests, and to ensure that Attorneys always has Client's current contact information, including address, phone numbers, and email. In the event that Client needs to report any changes, Client should call **800-405-1740** or email the Attorneys at **info@trammellpc.com** as soon as possible. **Client understands that the Attorneys cannot successfully represent Client's interests without the active assistance and cooperation of Client, and that Attorneys retain the right to terminate representation of Client—WHICH, BY SIGNING BELOW, INCLUDES CLIENT'S CONSENT HEREIN TO THE DISMISSAL OF CLIENT'S CASE WITHOUT PREJUDICE—for Client's lack of reasonable cooperation and/or failure to timely and reasonably communicate with Attorneys, including but not limited to failure to provide necessary information, records, or response to legal questions and other requirements of Client's claim(s) or in the context of any potential settlement or settlement process. Client understands that numerous deadlines may apply to its claim(s) and/or any settlement or settlement process, and that Attorneys cannot be held responsible when a deadline is missed due to Client's unreasonable failure to cooperate or participate timely in the investigation, discovery, or litigation of Client's claims or in any settlement or settlement process. CLIENT UNDERSTANDS THAT ATTORNEYS HAVE MADE NO GUARANTEE OR ASSURANCES REGARDING THE LIKELIHOOD OF SUCCESS OF CLIENT'S CLAIM(S).** Client understands that upon resolution of our representation that the Attorneys may dispose of our file and any materials related thereto pursuant to Attorneys' document retention policy and applicable law or court rulings without any further action or approval on our behalf.

Client consents to being contacted by Attorneys at any telephone number or electronic mail address furnished to the Attorneys by Client, including receiving case updates, advertisements, and telemarketing messages by text message, email, and/or pre-recorded call, any of which may be automatically generated through a computerized source ("electronic communication"). Client acknowledges that his or her consent to electronic communication is not required for Attorneys' continued legal representation of Client as described herein; however, Client further acknowledges that if s/he wishes to opt out of one or more types of electronic communication with Attorneys, s/he must contact Attorneys at **info@trammellpc.com** and make such preference(s) known. Client acknowledges that standard message and data rates may apply with regard to electronic communication, and that by signing below, s/he consents to being contacted by Attorneys through electronic communication and acknowledges his or her agreement to the above terms and conditions.

TERMINATION. If Client terminates this Agreement, Client agrees to compensate the Attorneys their full contingent share of any settlement of or judgment on the claim for prosecution of which the Attorneys are hereby retained. The Attorneys may withdraw from Client's representation in the claim at any time upon notice of ten (10) days to Client by mailing notice via certified mail, return receipt requested, to the last known address.

DISPUTE RESOLUTION BY ARBITRATION. THIS CONTRACT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. CLIENT AND ATTORNEY HEREBY AGREE THAT ALL DISPUTES, CONTROVERSIES, CLAIMS OR DEMANDS ARISING OUT OF OR RELATING TO INTERPRETATION, ENFORCEMENT OR ALLEGED BREACH OF THIS CONTRACT SHALL BE SUBMITTED TO BINDING ARBITRATION UNDER THE TEXAS ARBITRATION ACT, WHICH SHALL ONLY BE BROUGHT IN HARRIS COUNTY, TEXAS, WHERE THIS CONTRACT IS TO BE PERFORMED. ANY SUCH ARBITRATION SHALL PROCEED IN ACCORDANCE WITH THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION, DALLAS, TEXAS, INCLUDING THE SELECTION OF ARBITRATORS. THE ARBITRATION AWARD SHALL BE FINAL, BINDING AND NON-APPEALABLE. ANY FEES AND EXPENSES REASONABLY INCURRED THROUGH SUCH ARBITRATION SHALL BE REIMBURSED BY THE LOSING PARTY TO THE PREVAILING PARTY. THE PROVISIONS OF THIS ARBITRATION AGREEMENT SHALL SURVIVE THE TERMINATION OF

**THIS CONTRACT FOR ANY REASON WHATSOEVER. THIS EMPLOYMENT AGREEMENT IS
SUBJECT TO THE TEXAS ARBITRATION ACT**

Client acknowledges that he or she has read this Agreement in its entirety and that he or she fully understands the terms and conditions of this Agreement, and that he or she agrees to abide by its terms.

If, at any time, the Firms determine, for any permissible reason, that prosecution of Client's claims should be discontinued, the Firms may withdraw from my representation. Client understands and agrees that the Firms may transmit Client's protected health information electronically in the course of representing Client.

2. **CLIENT'S COOPERATION.** Client agrees to cooperate fully with the Firms, disclose all relevant facts and promptly advise the Firms of any change in address or telephone number, and to promptly comply with all reasonable requests of the Firms on all matters related to this contract. Client understands that failure to fully cooperate may be a basis for termination of this contract. Client agrees not to attempt on his/her part to unilaterally settle the claims made the subject of this contract. The Client will rely exclusively upon the representation of the Firms during any settlement negotiations. **No settlement will be made without the Client's consent.**

3. **CONTINGENT FEE ARRANGEMENT.** The Firms will assume joint responsibility for Client's representation. In consideration of such legal services, Client hereby assigns and grants to the Firms the following percentage of any monies, interest, or property recovered: _____ in the event a recovery. Client consents to the Firms' sharing these attorneys' fees _____% to Watts Guerra LLC, _____ to Watts Guerra LLP and _____% to _____. Client consents to the Firms sharing their attorneys' fees with local counsel as necessary. **Attorneys' fees will be determined before repayment of expenses; that is, attorneys' fees will be calculated based on the gross recovery, before expenses are deducted. In the event there is no recovery, Client owes the Firms nothing.**

4. **EXPENSES PAID BY THE FIRMS.** The Firms agree to advance any and all reasonable expenses associated with the prosecution of client's claim. **Expenses advanced by the Firms will be repaid to them from any recoveries made. In the event no recovery is made, no repayment of expenses advanced will be required.** Advanced expenses that shall be reimbursed include office expenses attributable to the representation, other than general overhead expenses. Such reimbursable office expenses shall include, but are not limited to, internal document copying and scanning, document copying and scanning performed by others, photograph, video and document imaging expenses and reproduction thereof, mileage at the rate allowed by the Internal Revenue Service, travel, and all airfare, mileage, legal research and investigation charges, long distance telephone charges, fax and electronic mail expense and postage. The reimbursable expenses will also include any and all expenses or costs paid to or for persons, entities or businesses outside the firm which are related to the representation, including but not limited to, experts and their staffs; jury consultants; specialized legal counsel for bankruptcy proceedings initiated by defendants; Medicare/Medicaid, hospital lien, and subrogation resolution services; interpreters; investigators; court reporters; videographers; and document imaging companies and personnel. **Regardless of outcome, Client will be responsible for all medical bills and liens incurred as a result of medical treatment received, and for the satisfaction of all insurance subrogation liens.** Client understands the Firms may be representing multiple clients and agrees that in representing multiple clients many of the expenses incurred are common case expenses, which are costs and expenses incurred for the benefit of multiple clients, including expert witness fees, depositions of defendants, experts, and non-party witnesses, settlement conferences, trial expenses, filing fees, copy costs, and other expenses that are incurred for purposes of influencing the outcome of multiple clients' claims. **Client agrees the expenses that I am required to reimburse, if there is a recovery, include not only expenses for my own claims, but also the common case expenses.**

5. **MULTIPLE CLIENTS.** Client understands and agrees that the Firms may be representing more than one client in this matter and that the following aspects of joint representation have been disclosed: (1) the Client might gain or lose some advantages if represented by separate counsel; (2) the Firms cannot serve as an advocate for one client against another client, but must assist all clients in pursuing their common purposes; (3) the Firms must deal impartially with every client; (4) information received by the Firms from or on behalf of any jointly represented client concerning the matter may not be confidential or privileged as between the jointly-represented clients; and (5) if a conflict arises between clients that results in the discharge or withdrawal of the Firms, the Firms might not be able to continue representing any of the clients involved; and (6) that the representation of all clients by the Firms will not necessarily expedite handling of the matter or reduce associated attorneys' fees and expenses. **Client consents to the Firms representing more than one client in this matter.**

6. **LAW AND VENUE.** This agreement shall be governed by and interpreted under Texas substantive law, and exclusive venue and jurisdiction of any lawsuit or claim arising out of or relating to this agreement shall lie in Texas State District Court in Bexar County, Texas. If any provision of this agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

7. **NO SOLICITATION OF CLIENT.** By signing and entering into this agreement, Client hereby affirms that Client's case was not solicited by the Firms, the agreement is not being entered into as a result of promises of money, no promises of a successful recovery have been made to Client, and Client has freely and voluntarily entered into this agreement.
